REMINDER

SCHOOL CLOSED MONDAY 9th JULY 2018 - INSET DAY

REMINDER

I would like to welcome all our children and families back for the final term of the year.

Having myself returned to Gallions in April, it has been wonderful to see some of the rich learning taking place, how our children have grown (physically as well as emotionally and academically!) and how the school continues to thrive.

Last term an important event took place for children at the end of Key Stages 1 and 2 (Years 2 and 6) who all undertook National Summative Assessments (SATs) in Reading, Writing and

Mathematics. I am so proud of how hard our children have worked to prepare for these assessments and how well they have coped with what can be a stressful experience. I would also like to extend a big thank you to the adults (teachers, teaching assistants as well as others in the school) who helped make sure our children were ready and able to complete their SATs.

Looking forward to the term ahead, Term 6 is traditionally a very busy one. Moreover, as we move to the end of the year we have lots planned to make sure it ends in true Gallions style! As always, we welcome family interest in school life so please do speak to your child about some of the events taking place and how you can be
