SCHOOL CLOSED MONDAY 9th JULY 2018 - INSET DAY

REMINDER

S. Hussain - Head Teacher

As we race towards the end of the Summer Term, I would like to remind all our families about some of the exciting events taking place over the next few weeks. The end of term is traditionally a very busy time and I do hope you are able to join us for some of the events listed overleaf.

As with every year, we begin with high expectations of what our children can achieve and a determination to provide them with the best possible experiences. And with this in mind, if our children are able to take special memories with them and look back over the year we pride, we know we have served them well!

I would also like to bid a special farewell to our Year 6 and to wish them every success as they move forward to Year 7 and beyond. I speak for myself, and all the staff, in saying that we are very proud of all that they have achieved and we look forward to hearing about how they will continue to thrive.

I do hope I am able to see as many of you as possible before the last day of term on 20th July, but I would like to take this opportunity to wish all our children and families a safe and enjoyable summer holiday.

New Vision Trust Launch— Tuesday 26th June 2018

Children, staff, governors and invited guests celebrated the launch of the New Vision Trust on Tuesday 26th June.

While the schools within the New Vision Trust have been working closely for some time, the Trust was officially established in April 2018 and the launch was a fantastic celebration to mark the beginning of our journey together.

Looking to the future, each school in the MAT will proudly retain its own uniqueness as we know that is what makes us stronger and will help us support each other in providing the best possible outcomes for all our children.

At the launch party, the children from the four NVT schools (Elmhurst, Gallions, Nelson and Vicarage) provided musical and drama performances, which were enjoyed by their appreciative audience!

All who attended also enjoyed refreshments and a giant cake. The local press were also present, if you would like to see the article please go to this link
