

### **Sports Premium**

The school receives a Sports Premium to increase and improve the PE and sporting opportunities for children in Years 1 – 6. The school has received the following Sports Premium over the last 3 years:

15/16 £4,269

16/17 £4,325

17/18 £4,400

The school has used this money to fund support from a specialist PE coach, via West Ham Football Club (WHFC). The coach leads PE sessions alongside our teaching staff and provides specialist input to PE across the curriculum. The impact of the Sports Premium has been seen in the raised profile of PE and in the quality of learning experiences. Pupil voice has also evidenced increased levels of engagement and confidence in PE across the school.
