Dear Parent/Carer,

School Homework in Key Stage 2 (KS2 Years 3,4,5 and 6)

We believe children perform at their best when school and home work together. Homework is an opportunity for you to become active partners in supporting learning. Homework should also be enjoyable for the child and should stimulate imagination and creativity as well as reinforcing what is taught in the classroom. While homework is important, it should not prevent children from enjoying free time and taking part in other activities.

Please support us by ensuring that your child attempts homework and encourage and praise them in undertaking homework activities.

Outlined below is a list of homework expectations for KS2:

- Daily sharing of a book/reading (10 to 15 minutes a day).
- Spellings – 10 a week
- Ongoing weekly work on all times tables (**Year 3:** 2, 5, 10, 4, 8 and **Years 4 – 6** all times tables) to earn to earn bronze, silver and gold stickers
- Set 'My maths' activities weekly
- Half termly project with creative activities linking to topic work.

If you have any questions please do not hesitate to speak to myself or to your child's class teacher.

Yours Sincerely,

Mrs S Hussain
Head Teacher
