

Year 6 Parent/ Carer Meeting

24.01.20

Aims:

- **To ensure everyone is clear about secondary school places**
- **To share information about SATs**

Secondary School

- You login online to find your child's place on the evening of **MONDAY 2nd MARCH**
- We will assume that ALL children know their school on Tuesday 3rd March
- There is no clear pattern to the number of children getting their preferred place
- We can support families through this process - we need you to communicate with us
- Call the school if your child is particularly upset or if you would like us to provide support on that day
- The school will know all the places - we find out on the same day too

What impact does knowing their secondary school place have on the rest of the academic year?
