

## Gallions Parents & Families Update

Every week, one child in each class receives the Star of the Week Award for their learning efforts and accomplishments or for showing the Gallions Values of **Courage, Ambition, Responsibility and Empathy (CARE).**

The Stars for this week are:

### Reminders for Next Week:

**Monday 25<sup>th</sup> January – Friday 29<sup>th</sup> January 2021**

#### **Distance Learning: Daily Tasks**

For the rest of this term we will continue to provide on-line learning daily via Google Classroom. Distance Learning combines *Google Meets* (live teaching/class interaction) and set learning tasks - with support and feedback provided. Please help your child to follow their class timetable and ensure they join their teacher and classmates - on time, every day!

#### **Computing: Wider Curriculum Learning**

Next week will be our second week of Computing/IT. It has been wonderful to see children so enthusiastic and we have been very impressed by their Computing skills (in some cases, teaching us adults a thing or two!). We hope everyone keeps up the great work as we continue to build on our learning in Computing.

#### **Supermarket School Food Vouchers**

We are very pleased to have now issued all children/families eligible for Free School Meal with Supermarket Food Vouchers. If your child is eligible, you will receive an email voucher sent to your mobile phone from *Edenred*. If you have difficulty accessing your voucher, or believe you may qualify for vouchers, please contact the school.

#### **Parent and Family Support – Call on Us!**

We will continue to support families in these difficult times. If you need any assistance (whether with distance learning, or any other family service you may be entitled to) please contact us. You can contact the school on **020 7476 1252** (please call between 8:30am-3pm) or, email us at [info@gallions.newham.sch.uk](mailto:info@gallions.newham.sch.uk)
